

Hi there,

GOV.UK has updated its guidance for workers paid via umbrella companies, with new example payslips and reconciliation statements. The update is designed to help you check that your payslip is accurate and identify potential signs of disguised remuneration or tax avoidance schemes.

You can read the guidance here:

<https://www.gov.uk/guidance/check-your-payslip-if-you-work-through-an-umbrella-company>

If you have any questions after reviewing the guidance, please contact the Candidate Services team.

Kind regards,
Candidate Services Team
