Timesheets and pay

When do I get paid?

You'll be paid weekly, either by your client or directly through Your World. This will be confirmed depending on your booking.

If I am being paid directly by Your World, how do I submit my timesheet?

Complete your timesheet and have it signed by your line manager. Then, email it to your consultant.

Who do I speak to about missing pay?

If there's an issue with your payment, contact your recruitment consultant directly.
