As an agency worker, we at Your World understand that how tax is calculated on your pay may be confusing.

This can be particularly true if you are paid via an umbrella company.

As we have previously advised, HMRC are cracking down on tax avoidance from disguised remuneration and loan schemes. The new Loan tax charge coming into effect in April 2019 is expected to have a significant impact on people who have used such schemes, either currently or in the past.

At Your World we are not qualified to give you tax advice.

We have identified an independent company offering tax advice – their name is **Dow Schofield Watts**

They are offering a free initial discussion to Your World agency workers who have concerns regarding their tax position.

You may contact them via Taxquestion@dswtres.com or call them on 01925 915001.

Please be assured that anything you discuss with them is in confidence and between yourselves.
