Nobody likes nasty surprises. At Your World we know you work hard and deserve to be paid quickly and without fear of being asked to pay more tax in the future.

A number of umbrella companies have closed down suddenly, sometimes leaving the workers out of pocket by not passing on funds paid to them by the agency.

We are also aware of workers receiving letters from HMRC stating that they believe they have been involved in tax avoidance and owe tax retrospectively.

It is important to note that many umbrella companies do operate compliantly, but we do want you to be aware that there are risks of involving other entities to deal with your pay.

The benefits of working PAYE with Your World are:

- Get paid faster - direct to your bank account the next working day
- Attractive Hourly rates
- Two free uniforms (so you can wash one and wear one!)
- Wave goodbye to annual compliance renewal costs
- No umbrella or accountancy fees
- Monthly prize draw for shot at winning a £100 voucher – the more hours you work, the more likely you are to win!

Why we believe you should choose PAYE over an umbrella company

Working PAYE is an all-around more legitimate way to go. For starters, Your World is 100% compliant with HMRC, so you won't have any unexpected surprises from the taxman.

Furthermore, you can claim tax relief on the expenses you incur during the year - [Claim tax relief for your job expenses - GOV.UK \(www.gov.uk\)](https://www.gov.uk/guidance/claim-tax-relief-for-your-job-expenses)
